Subject: RE: Negotiation of SCC Emergency Services Agreement and SBC Response to 911 Appendix

Dear Ron,

We have checked with SCC and have consulted our own calendars and we are available Monday afternoon, October 30, 2000. We proposed to schedule this first conference call sometime between 2 and 5 pm mountain time (i.e., 3-6 pm central time and 4-7 pm eastern time). Please confirm the time when SBC and its necessary participants are available. Will you schedule a conference bridge?

Also, we have not received SBC's response to the 911 Appendix.

I apologize in that I have not responded before now due to my being in offsite meetings yesterday. I have not been able to contact all of the personnel that need to be involved. I would like to propose having a conference call on Friday, 10/27 or Monday, 10/30 in the afternoon. I will provide you the 911 Appendix later today.
Thanks,

Subject: Negotiation of SCC Emergency Services Agreement and SBC Response to 911 Appendix

Dear Ron,

As we discussed last week, we need to schedule our first date for negotiation of the SCC Emergency Services Agreement pursuant to SCC and SBC's Memorandum of Understanding. You mentioned in your letter to us last week that Thursday, October 26, 2000, may be a viable date for our first discussion. Please advise us immediately if this date is available as we will need time to confirm the availability of all necessary participants on

behalf of SCC. If this date is not available, please provide us with the first available date for such discussion. We stress that time is of the essence in this negotiation since the deadline for executing the SCC Emergency Services Agreement is November 17, 2000.

In addition, we still have not received SBC's response to SCC's redlined version of the 911 Appendix to SBC's interconnection template. Please advise when we can expect to receive this response?
